Product Feature And Application

Wide base giant dump truck tires with Extra deep tread and big pattern blocks,high speed durability and heat resistance.Mining truck tires on rough condition.Small dumping truck application.

Product Details

Special design for Grader.Cutting resist compound applied,longer tire life.Unique tire pattern design.Outstanding self-clean capacity.Balance profile design applying good working stability.Radial structure providing the Anti-shocking and Anti-skidding.

Product Qualification
Pre-treatment workshop

Molding workshop

Vulcanization workshop
